

ORDER NOW AND GET THESE SPECIAL OFFERS

Super Special-

With your order, Terry's brand new 450 page book, "How to Market and Sell Automotive and Transmission Service and Repair". Everything you ever wanted to know about dealing with customers, all in one place. It's an easy to read book with several stories that will make you say, "Hey, he's talking about me," because it was written about the trials and tribulations of everyone in our industry who has the responsibility of selling service and repairs to retail, fleet, and wholesale customers. A \$98.32 value free with your audio or video order.

Special Bonus-

Absolutely Free with your order for either the DVD, VHS, Audio Cassette, or Audio CD Package... **\$ALES HELP SCREENS**, the software package that will turn your computer into a sales training center. With 134 information screens on sales and shop management questions, you can actually pop up the answers to every customer objection on the screen while talking to customers on the phone. You can also use the software as a training aid any time you have a few minutes to sit down at the computer. A \$579 value free with your audio or video order.
